

Colorado Inclusive Higher Education Pathways for Individuals with Intellectual Disabilities

Inclusive higher education is an option for students with intellectual and developmental disabilities to attend college. Inclusive higher education is made for students who may need additional supports to be successful in college. Students who attend a college offering inclusive higher education do not need to meet the regular admissions criteria for college, instead they are evaluated on their unique abilities and desire to go to college.

Elevate at Arapahoe Community College

IN!, www.inclusivehighered.org

A non-profit that envisions a Colorado in which students with intellectual disabilities will be welcomed on college campuses and allowed to continue their education and preparation for life, as inclusive pathways become part of the fabric of all colleges and universities throughout Colorado. IN! works to raise awareness of the college options available in our state via general webinars, resources for preparing for college, student stories, etc.

Tracy Murphy – Executive Director, tracy@inclusivehighered.org, 303-756-6101

Shelby Bates – Outreach Coordinator, shelbyb@inclusivehighered.org, 720-580-1277

Think College, www.thinkcollege.net

Think College is a national organization dedicated to developing, expanding, and improving inclusive higher education options for people with intellectual disability.
