

COLORADO INCLUSIVE HIGHER EDUCATION CONTACT INFORMATION

WHAT IS INCLUSIVE HIGHER EDUCATION (IHE)?

Inclusive higher education is an option for students with intellectual and developmental disabilities to attend college and experience holistic development. IHE programs are intended for students who do not meet traditional admissions criteria and would require additional support to be successful at the college level, including modifications to coursework. Students earn a Comprehensive Higher Education Certificate in their area of study and are engaging in academic growth, social development, vocational preparation, and greater independence.
